

Westland Row PPU

GDPR Statement

Westland Row CBS PPU is a membership association which collects limited personal data on its members, sufficient to allow the Union to function. Specifically, we hold names, addresses, phone and email contacts. We hold this data for the purposes of informing members of upcoming PPU events, such as the annual dinner and Mass, or to share matters relating to the school, including any financial assistance the Union may give to the school or its pupils. When contacting you by general email or bulk SMS messages, your contact details are not visible to others on the list. Occasionally, we are approached by past pupils seeking to make contact with specific classmates. We will only release your contact details with your specific consent. Otherwise, we will not share your contacts with anyone. Finally, we will hold your data securely and for as long as you remain a member of the Union, and we will endeavour to keep it up to date.
